Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Interesting work, very good analysis. However, the introduction needs to be improved, as does the discussion. The introduction does not clearly define the problem. The discussion also needs to be improved, by focusing more on the results obtained. A conclusion is also missing. The number of plots sampled (20) seems to me to be too small for a detailed modelling.	Thanks for the comments.
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	Thanks for the comments.
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	the abstract corresponds to the content of the article	Thanks for the comments.
Is the manuscript scientifically, correct? Please write here.	The article is correct, although the introduction and discussion need to be improved, as does the lack of a conclusion.	Thanks for the comments.
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes
