Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This paper has the potential to improve the lives of the underprivileged, but I would like to recommend that the paper be enhanced and written objectively and constructively.	I agree with the reviewer. I have made adjustments to the manuscript.
Is the title of the article suitable? (If not please suggest an alternative title)	yes	N/A
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Your abstract is quite lengthy; I suggest revising it to create a more concise and straightforward statement.	I agree with the reviwer. I have made adjustments to the manuscript
Is the manuscript scientifically, correct? Please write here.	This paper has potential, but to meet scholarly standards, I recommend triangulating your methodologies—Focus Group Discussions, content analysis, and observation—given the emphasis on the lived experiences of Deaf students	I agree with the reviewer and I have incorporated the recommendations
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Consider enhancing your work by incorporating relevant, up-to-date literature from local and international sources, as some of your references may be outdated (dating back to 2014). Including more recent articles from reputable scholarly journals would be beneficial.	I agree, and I have made recommendations
Is the language/English quality of the article suitable for scholarly communications?	Have your grammarian review the grammar and structure of your text.	
Optional/General comments	Incorporate the implications of your study into the discussion of your findings and offer concrete recommendations concerning critical areas such as teaching methods, curriculum, and support services.	I agree with the autor and I have made recoemmendations.
