

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_130291
Title of the Manuscript:	Impact of gametocides on pollen sterility and growth traits in Chilli (Capsicum annuum L.).
Type of the Article	Research

PART 1: Comments

	Reviewer’s comment	Author’s Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The manuscript highlights the impact on pollen sterility and growth traits in Chilli (<i>Capsicum annuum</i> L.) by the use of potential gametocides. This present study was formulated with the objective of standardizing the concentration, number and time of application of chemicals for further breeding programmes.	The study of this manuscript is crucial for understanding reproductive biology and improving crop breeding Enhance hybrid seed production Vital for advancing agricultural sustainability and food security in a changing environment.
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	Yes it is suitable
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	Yes
Is the manuscript scientifically, correct? Please write here.	Yes	Yes
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	Yes
Is the language/English quality of the article suitable for scholarly communications?	Yes	yes
Optional/General comments	No note.	

PART 2:

	Reviewer’s comment	Author’s comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)	None
