

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_130178
Title of the Manuscript:	Autoclaving-Induced Changes in the Functional Properties of Protein Isolates from Pigeon Pea
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Pigeon pea being rich in proteins is very important for health point of human beings, due to some activities the proteins are being lost and by using autoclavable treatment it can be restored. This helps the scientific community to understand the protein recovery and can recommend protein rich cultivable varieties for the farmers.	Thank you for you valuable comment
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Is the manuscript scientifically, correct? Please write here.	Its correct	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References can be added more	Suggested references are added.
Is the language/English quality of the article suitable for scholarly communications?	Yes, suitable	
Optional/General comments	Check the grammar mistakes and submit please	Grammar mistakes are checked and corrected.

Review Form 3

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
