

Review Form 3

Journal Name:	Asian Journal of Research in Agriculture and Forestry
Manuscript Number:	Ms_AJRAF_130170
Title of the Manuscript:	Cost Benefit Analysis of Bale Mangrove Agroecotourism in East Lombok Regency
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	<ul style="list-style-type: none"> Offers a thorough assessment of the economic and environmental advantages of sustainable tourism practices. Provides valuable perspectives on the practicality and long-term effects of mangrove-based agroecotourism, a relatively unexplored aspect of sustainable development studies. Act as an essential resource for policymakers, environmental advocates, and local communities in developing and executing tourism strategies that harmonize economic development with environmental preservation. Supports the wider discussion on sustainable tourism strategies, with a focus on coastal areas grappling with ecological and socio-economic difficulties 	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, the title is suitable.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract should inform more detail on methodology and data utilization for the study. Numbering on research aims and results were confusing, need more information on this.	
Is the manuscript scientifically, correct? Please write here.	Yes, the authors using several methods that has scientifically existed	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Lack of references, some of the reference cited in the manuscript but no information in the references list	
Is the language/English quality of the article suitable for scholarly communications?	Need improvement on the English proficiency, and how to write a scholarly manuscript	
Optional/General comments	The manuscript lack of consistency, especially dealing with numbering using comma or dot. Another thing is the consistency on how to use money currency between IDR/Rp and USD
