

ReviewForm3

Journal Name:	Asian Journal of Research in Biochemistry
Manuscript Number:	Ms_AJRB_129742
Title of the Manuscript:	Therapeutic Potential of Phytochemicals in Combatting Antimicrobial Resistance (AMR)
Type of the Article	Review Article

PART 1: Comments

	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	I have never read such a detailed compilation on this subject until recently. I would like to thank you for this. All the content is mentioned in detail. I believe that those who need it can easily reach their requests.	
Is the title of the article suitable? (If not, please suggest an alternative title)	Yes, it is suitable.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	It's okay.	
Is the manuscript scientifically correct? Please write here.	It's correct.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are sufficient and recent.	
Is the language/English quality of the article suitable for scholarly communications?	Yes, it is suitable.	
Optional/General comments	It is good that there are many references. As stated, efflux pumps are quite problematic for antibiotic resistance. Of course, phytochemicals also have inhibitory properties, but they are not yet clinically suitable. It was nice to see phytochemicals discussed in detail.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, kindly please write down the ethical issues here in details)</i>
