<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b>	Because it examines an innovative way of valuing agricultural by-products, including whey and banana pseudo-stem extract, in the creation of a pineapple-based beverage, this article is extremely important to the scientific community. By integrating sustainability and nutrition, it offers a novel solution for waste reduction while enhancing the functional properties of beverages. In support of a circular economy, the study may stimulate more research on the use of underutilized resources in food processing. In the food and beverage sector, it may also have a better impact on the creation of environmentally friendly, health-conscious products.
