Manuscript Number:	Ms_JERR_129887
Title of the Manuscript:	Research status and application prospect of plant fiber concrete
Type of the Article	Review article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This article illustrate the effect of using plant fibers on different properties of concrete. It is discussed the effect of using natural fiber on the fresh properties of concrete such as (warkability and water absorption of fiber). On the other hand this study focused on the hardened properties of concrete reinforced with natural fiber such as (strength and <i>Thermal insulation</i>).	
Is the title of the article suitable? (If not please suggest an alternative title)	The title of the article is not comprehensive to the content of the paper The suggested title is(Effect Of Using Plant Fiber On The Properties Of Concrete: A Review).	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	It is important to include in the abstract the types of fibers that the author(s) focused on, and the mention to the best one. Also the abstract should include some conclusions for the outcome from this paper.	
Is the manuscript scientifically, correct? Please write here.	It is suggested to mention to the kinds of plant fiber that used in this manuscript And compare between them and mention to the best one	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references section needs to add more ref. up to date to cover the title and need to increase the number of articles the related to this field I suggest to mention to articles that's deal with date palm fiber, coconut fiber, pineapple fiber....etc.	
Is the language/English quality of the article suitable for scholarly communications?	The English quality of the article is acceptable
