

Editor's Comment:

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked in the Attachment.

Also,

- The organization of the manuscript to be checked.
- Check grammar.
- In the text, do not use the first person "we", "our".
- In the text, do not use the second person "you".
- Do not use contractions, i.e., use "did not" rather than "didn't".
- to have the text English proofread (mainly the article).

References should be checked.

- The sources used in the text are indicated as follows: "(Götz et al., 2023) ..." etc.

Must be: [1],....

- All works cited in the text must be listed in the References.
- to elaborate the bibliographic citation and references format according to the needs of ARJASS.
