My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked in the Attachment.

Also,

The organization of the manuscript to be checked.

“Table 4,5,6”, this should be referenced - [in the text].

Check grammar.

In the text, do not use the second person “you”.

to have the text English proofread (mainly the article).

References should be checked.

The sources used in the text are indicated as follows: “Ahmad et al. (2017)...” etc.

Must be: Ahmad et al. [1],....

All works cited in the text must be listed in the References.

to elaborate the bibliographic citation and references format according to the needs of ARJASS
