

Review Form 3

Journal Name:	Archives of Current Research International
Manuscript Number:	Ms_ACRI_130949
Title of the Manuscript:	King Abdelaziz University Preparatory Year Engineering Students' Reluctance to Enroll in Nuclear Engineering: Reasons and Possible Solutions
Type of the Article	Original research article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Concise and Formal: Reluctance of King Abdulaziz University Engineering Students to Enroll in Nuclear Engineering: Causes and Solutions 2. More Academic Tone: Factors Influencing the Low Enrolment of King Abdulaziz University Engineering Students in Nuclear Engineering and Potential Interventions 3. Emphasizing the Scientific and Educational Perspective: Barriers to Nuclear Engineering Enrollment Among King Abdulaziz University Engineering Students: Challenges and Solutions	This article sheds the light on a very important dilemma in the Faculty of Engineering. While the industrial, electrical, mechanical engineering departments are flooded with students, The Nuclear engineering department has very few students. As nuclear engineering graduates are badly needed in KSA, something should be done to motivate students to join this department. NE department and other related institutions should do something to motivate students to enrol in NE.
Is the title of the article suitable? (If not please suggest an alternative title)	Reframe the title according to the concept "Addressing Engineering Students' Reluctance Toward Nuclear Engineering at King Abdulaziz University: Causes and Solutions"	Factors Influencing the Low Enrolment of King Abdulaziz University Engineering Students in Nuclear Engineering and Potential Interventions
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	abstract of the article need to be review and keyword is need to selected properly	We will revise the abstract and the key words
Is the manuscript scientifically, correct? Please write here.	Manuscripts need to be scientifically justified with statistical analysis	Statistical analysis needs reconsidering the methodology which is not attainable now
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References sufficient with APA 7th edition format	-
Is the language/English quality of the article suitable for scholarly communications?	Need to be corrected with proper language	Will do our best
<u>Optional/General</u> comments		

Review Form 3

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>	No ethical issues
