Review Form 3

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Emphasize the broader implications for similar application-oriented institutions beyond Tangshan University to strengthen the study's universal relevance.	Thank you for your comments. I have added relevant content in the introduction, research methods, and conclusion sections.
Is the title of the article suitable? (If not please suggest an alternative title)	Retain the title as is or consider a slightly more concise version: Integrating Innovation and Entrepreneurship in TCSOL Education: A Case Study from Tangshan University.	Thank you for your comments. Your suggested title is better than the original title. And I made some minor revisions of it to "Integrating Innovation and Entrepreneurship Education in TCSOL:Insights from Tangshan University."
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Enhance the abstract by including specific quantitative results (e.g., percentage findings from the survey) to provide a more detailed overview.	Thank you for your comments. I have enhanced the abstract on your suggestions.
Is the manuscript scientifically, correct? Please write here.	Include a more explicit justification for the sample size and demographic focus on Tangshan University to ensure methodological transparency.	Thank you very much for your comments. I have already added the relevant paragraphs in part of "2.QUESTIONNAIRE SURVEY ON THE STATUS OF INNOVATION AND ENTREPRENEURSHIP EDUCATION IN TCSOL".
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Add references to studies focusing on innovation in higher education outside China to provide comparative insights.	Thank you for your comments. I have enriched the references.
Is the language/English quality of the article suitable for scholarly communications?	Revise overly complex phrases, such as "actively pursue innovative pathways for course assessment and evaluation models," to make them more concise.	Thank you for your comments. I revised this phrase to“actively seek innovative course assessment and evaluation models.” And I also revised other overly complex phrases.
Optional/General comments
