

Review Form 3

Journal Name:	Asian Journal of Soil Science and Plant Nutrition
Manuscript Number:	Ms_AJSSPN_130634
Title of the Manuscript:	Evaluating the Impact of Gypsum Content on the Physical and Hydraulic Properties of Soils in Arid Regions , Review
Type of the Article	Review Article

PART 1: Comments

	Reviewer’s comment	Author’s Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript is considered important in the scientific community in general and the research community in particular. It is also important in all agricultural sciences, including soil and water sciences, soil management. The role of this study is to raise productivity and improve the physical and chemical properties of gypsum soil.	Thank you so much.
Is the title of the article suitable? (If not please suggest an alternative title)	The title of the article needs to be rephrased or mention the parameters of the study or the study area to be appropriate with the content of the article	Evaluating the Impact of Gypsum Content on the Physical and Hydraulic Properties of Soils in Arid Regions , Review
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract of the article is not comprehensive and needs to be amended and added in terms of the importance and objectives of the study and the most important results obtained, mentioning numbers and relative comparisons.	It has been modified as much as possible
Is the manuscript scientifically, correct? Please write here.	The manuscript needs a full paragraph mentioning the Materials and methods of the study, as well as the study parameters and the study site.	It has been modified as much as possible
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Sources need to be modified and new and modern sources adopted.	This article included a collection of a research on the properties of gypsum soil. I apologize for not having recent research on these properties, especially with regard to Iraq.
Is the language/English quality of the article suitable for scholarly communications?	Yes, the language/English quality of the article is adequate.	It has been modified as much as possible
Optional/General comments		

Review Form 3

**PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment</b> <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
