

Review Form 3

Journal Name:	Annual Research & Review in Biology
Manuscript Number:	Ms_ARRB_130188
Title of the Manuscript:	Improvement of Agronomic Parameters of Rice Plants Infected by Rice Yellow Mottle Virus (RYMV) using plant extracts (Azadirachta indica, Piper nigrum L, Acacia gummifera, Combretum micranthum, and Clenodium vulgare L)
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	It highlights the potential of bioactive compounds in improving agronomic parameters of rice plants, reducing reliance on synthetic pesticides, and enhancing food security. The findings could inspire further research into plant-derived antivirals and support integrated pest management strategies globally.	Thank you for your comments
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	Thank you for your comments
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	Thank you for your comments
Is the manuscript scientifically, correct? Please write here.	Yes	Thank you for your comments
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	Thank you for your comments
Is the language/English quality of the article suitable for scholarly communications?	Yes	Thank you for your comments
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
