Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This Cross-sectional survey-based study entitled “Nutritional and Microbiological Qualities and Storage Stability of Ready-to-Use Foods Based on Cocoa or Cashew” provide promising solution to combat child malnutrition, although further studies are necessary to validate their acceptability and clinical efficacy by developing the RTU foods prepared by utilizing cocoa or cashew. But as per my view other ingredient like herbs or leaves can be used as they are not much cost effective.	OK
