

Review Form 3

Journal Name:	European Journal of Nutrition & Food Safety
Manuscript Number:	Ms_EJNFS_130399
Title of the Manuscript:	Doctor Experiences on the Use of Multivitamin and Multimineral Supplement in their Daily Practice - A Retrospective Real-World Evidence from India
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The article draws attention to the benefits of nutritional supplements though these are not disputed and general agreement is in favour of administration of nutritional supplements. Hence scientific importance is in the comprehensive narrative rather than a novel approach.	Thanks
Is the title of the article suitable? (If not please suggest an alternative title)	Title is appropriate	Thanks
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract adequately conveys the purpose of the study.	Thanks
Is the manuscript scientifically, correct? Please write here.	Scientifically the data, information and narrative is correct.	Ok
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References support the statements and facts in the article.	Thanks
Is the language/English quality of the article suitable for scholarly communications?	Language communicates effectively	Noted
Optional/General comments	Well composed narrative with moderate scientific implication. Not innovative or trend setting, doubtfully thought provoking.	Ok revise

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
