

Review Form 3

Journal Name:	International Journal of Biochemistry Research & Review
Manuscript Number:	Ms_IJBCRR_130171
Title of the Manuscript:	EFFECT OF PROLONGED ADMINISTRATION OF HIGH FAT DIET ON SERUM BIOCHEMICAL, HAEMATOLOGICAL AND ORGAN HISTOLOGY IN RATS
Type of the Article	Original article – research

PART 1: Comments

	Reviewer’s comment	Author’s Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The manuscript describes the effects of a high-fat diet on key biochemical parameters. The manuscript is well written. It does not have great scientific relevance, since the effects are expected and the model is well known. However, the article is well written and the experimental design is complete for the proposed objective.	Thanks. We carried out this study to further validate and give support to existing knowledge.
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	Thanks
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes. No suggestions	Thanks
Is the manuscript scientifically, correct? Please write here.	Yes	Thanks
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	Thanks
Is the language/English quality of the article suitable for scholarly communications?	Yes	Thanks
<u>Optional/General</u> comments	The manuscript describes the effects of a high-fat diet on key biochemical parameters. The manuscript is well written. It does not have great scientific relevance, since the effects are expected and the model is well known. However, the article is well written and the experimental design is complete for the proposed objective.	We appreciate deeply and are willing to learn more in future.

Review Form 3

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>	None declared
