Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Though the case report is not novel, the concept of PDPH differs in variety of surgical conditions. The report focussed on the identification and management of the clinical scenario at the right time. PDPH is a constant distressing clinical condition related to patient and the related illness; where the diagnosis and management plays a devastating role.	Dear Professor, thank you very much for your comment. I really appreciate it
Is the title of the article suitable? (If not please suggest an alternative title)	Can change the topic as this title is presented in many areas and journals.	Dear Professor, thank you very much for your comment. I really appreciate it
