

Review Form 3

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_130339
Title of the Manuscript:	Role of Phosphorous fertilizers and P solubilizes on growth, yield and economics of different cultivars of Grain amaranth (Amaranthus hypochondriacus) under Eastern Dry Zone of Karnataka
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The paper discusses a good idea, which is the combination of role phosphorus fertilizers and P solubilizers to determine the amount of phosphorus required per hectare to increase soil fertility and increase the productivity of amaranth c Idea is good	
Is the title of the article suitable? (If not please suggest an alternative title)	Log is the title Role of phosphorus fertilizers and P solubilizers on productivity and economics of Amaranth crop under the eastern dry zone of Karnataka	Cut shorted
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Comprehensive article abstract with the addition of the objective and conclusion of the paper	Included
Is the manuscript scientifically, correct? Please write here.	The structure of the manuscript is appropriate with the addition of some modern references	Since very limited research on this topic in grain amaranth, it is very difficult to get new references. Hence, I could not update
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The paper needs to update the all references and DOI	very limited research on this topic in grain amaranth, it is very difficult to get new references. Hence, I could not update
Is the language/English quality of the article suitable for scholarly communications?	The English language is scientifically appropriate	
Optional/General comments	The paper is good after adding the modifications PLEASE SEE ATTACHMENT	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>	No
