

Review Form 3

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_130341
Title of the Manuscript:	Effectiveness of talc formulation (TNAUPc001) of egg parasitic fungus, <i>Pochonia chlamydosporia</i> on the management of root-knot nematode, <i>Meloidogyne incognita</i> in brinjal, (<i>Solanum melongena</i>).
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The Manuscript is Scientific because profers a solution to a problem. The research uses a biological agent i.e Nematode egg parasitic fungus (, <i>Pochonia chlamydosporia</i>) to control the Root-knot Nematode <i>Meloidogyne incognita</i> affecting Brinjal (<i>Solanum melongena</i>) in Pot experiment. The study has brought alternative to chemical nematicides which hazardous to both human, animals and the environment. The bio-agent is environmentally friendly	Agreed
Is the title of the article suitable? (If not please suggest an alternative title)	Yes however Effect should replace Effectiveness	Agreed
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The Author should be able to state the best result and recommend it	Agreed
Is the manuscript scientifically, correct? Please write here.	Yes	agreed
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Many of references are obsolete, two are cited in text but missing in the reference section while five are reference but cited in text	Correcrd Missing references included and irrelevant references deleted
Is the language/English quality of the article suitable for scholarly communications?	Yes	agreed
<u>Optional/General</u> comments		

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>	Corrected
