

Review Form 3

Journal Name:	International Journal of Research and Reports in Dentistry
Manuscript Number:	Ms_IJRRD_130118
Title of the Manuscript:	Interdental papillary reconstruction with non-surgical and surgical techniques: A case report
Type of the Article	Case report

PART 1: Comments

	Reviewer’s comment	Author’s Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Article was good as it focuses on non surgical approach for papilla reconstruction and its both beneficial for patient compliance and provide aesthetic results with less healing period .	Thank you for your valuable comments.
Is the title of the article suitable? (If not please suggest an alternative title)	Yes the title is suitable	Thank you.
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	I would suggest if there could be addition of few more case reports suggesting the non invasive technique a better option.	More studies suggesting non-invasive approach is better have been added.
Is the manuscript scientifically, correct? Please write here.	Yes according to me it was a good and scientifically correct manuscript	Thank you.
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	They are sufficient	Thank you.
Is the language/English quality of the article suitable for scholarly communications?	Yes	Thank you.
Optional/General comments
