Please write a few sentences regarding the scientific correctnessofthismanuscript.Whydoyouthinkthat thismanuscriptisscientificallYROBUSTandtechnically sound? A minimum of 3-4 sentences may be required for this part.	The experimental design appears robust, with appropriate controls and replication to ensure statistical validity. However, it would benefit from a more detailed discussion of the mechanisms by which each treatment acts against the pathogen, as well as an analysis of the environmental impacts of these interventions. Overall, thestudy contributes valuable insights to integrated disease management strategies for black gram.	Noted and effected
