

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_130474
Title of the Manuscript:	Diversity of floral visitors and foraging behaviour of major bee species on buckwheat (Fagopyrum esculentum M.)
Type of the Article	Research

PART 1: Comments

	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The manuscript has very important content regarding diversity of major bee species. It has tried to explain the diversity and foraging behaviour of major bee species. But, at the same time, the manuscript should be corrected very well so that impact of this manuscript would be enhanced.	The manuscript has detailed information of insect floral visitors, their diversity, dominance and foraging behaviour of major bee species with respect to nectar and pollen collection.
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	Yes
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	For the abstract part, first one or two sentences should express introduction of the manuscript, which it lacks.	Abstract has rewritten with introduction
Is the manuscript scientifically, correct? Please write here.	Yes	Yes
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References are not sufficient and recent. Authors should add some recent references on it.	Required references were added in manuscript
Is the language/English quality of the article suitable for scholarly communications?	Language/English quality of the article needs to be improved.	Yes
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)	No ethical issues are considered
