

Review Form 3

Journal Name:	Journal of Advances in Medicine and Medical Research
Manuscript Number:	Ms_JAMMR_130750
Title of the Manuscript:	Genetic Insights into Pediatric Achalasia Cardia: A Pilot Study on Family Pedigrees and Risk Assessment in High-Consanguinity and Close Tight Populations
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer’s comment	Author’s Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Consanguinity plays a significant role in the inheritance of congenital achalasia. Early diagnosis and intervention are crucial for improving clinical outcomes. Genetic counselling and carrier screening can help reduce the recurrences risk in families. The research article provides valuable insights into the genetic and clinical aspects of congenital achalasia, particularly in high-consanguinity populations.	All respect for your kind comment.
Is the title of the article suitable? (If not please suggest an alternative title)	The title justifies the article and its content.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is comprehensive	
Is the manuscript scientifically, correct? Please write here.	Yes,the manuscript is scientifically correct enough	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are sufficient and recent.	
Is the language/English quality of the article suitable for scholarly communications?	The language quality is suitable for scholarly communications.	
Optional/General comments		

PART 2:

	Reviewer’s comment	Author’s comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
