

### Review Form 3

Journal Name:	<a href="#">Journal of Experimental Agriculture International</a>
Manuscript Number:	Ms_JEAI_130595
Title of the Manuscript:	Method for selection of superior lines with combined stay-green and stem reserve mobilisation traits in wheat under multi-environment stress conditions
Type of the Article	

#### PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The manuscript is important as it may helps in selecting suitable genotypes suitable under varying environmental conditions. The findings may lead to further exploration in the suitable wheat genotypes under varying climatic conditions and changing climate scenario.	Thanks for the comments.
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	Thanks for the comments.
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	Thanks for the comments.
Is the manuscript scientifically, correct? Please write here.	Yes	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	Thanks for the comments.
Is the language/English quality of the article suitable for scholarly communications?	Yes	
<u>Optional/General</u> comments	The manuscript may be considered for publication.	Thanks for the comments.

#### PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
