	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The manuscript on "Efficacy of Different Herbicides on Weed Suppression and Productivity of Chickpea (Cicer arietinum L.)" holds significant importance for the scientific community, particularly in the fields of agronomy, weed science, and crop protection. Chickpea is a vital legume crop worldwide, and weed infestation is a major constraint to its productivity. This study provides valuable insights into the efficacy of different herbicides in suppressing weeds and enhancing chickpea yields, thereby contributing to the development of sustainable and effective weed management strategies. Furthermore, the findings of this research can inform evidence-based decision-making for farmers, policymakers, and other stakeholders involved in chickpea production, ultimately improving food security and livelihoods.	I sincerely appreciate the reviewer for their valuable time and effort in thoroughly reviewing the manuscript and providing insightful suggestions for its improvement. Their constructive feedback has been instrumental in enhancing the overall quality and clarity of the article.
