Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript shows the scientific research about the impact on society of Open-Source Intelligence and Deepfake. I think this is a great beginning to understand the impact of AI on society. The manuscript also shows the advantages and disadvantages of OSINT AND Deepfake Technologies, which is important for governments to consider and give regulations for AI technologies.	Thanks for the comments
Is the title of the article suitable? (If not please suggest an alternative title)	I think the author should change the title of this manuscript, because it could be misunderstand. I see the manuscripts show scientific research of the impact of OSINT & deepfake, rather than give suggestions about regulations.	Thanks for the valuable comments.noted and revised
