Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	<div>The author makes an interesting review of the main regulations regarding negligence in the medical field in Nigeria. The presentation of normative acts aims to highlight the applicable principles in the case of medical malpractice, even if we are dealing with several medical fields and at the same time different approaches to negligence, including those strictly related to the ethics of the analyzed medical act. It is tried to verify the fact that a corroboration of the texts and a clearer delimitation of the legal nature of the respective laws would ensure a better practical functionality of the medical malpractice sanctioning system in Nigeria</div> <div><div><div><div></div></div></div><div>Fee</div></div>	Thank you.
