

### Review Form 3

Journal Name:	<a href="#">Microbiology Research Journal International</a>
Manuscript Number:	Ms_MRJI_130036
Title of the Manuscript:	Antimicrobial Resistance Patterns and Bacterial Contamination of Healthcare Workers' Mobile Phones in Hospitals at Khartoum City
Type of the Article	<a href="#">Open Peer Review</a>

#### PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This is study very importance as it pin-points our daily habit of contaminating mobile phones in turns we carry contamination to the beds because other people do sleep with mobile phones on the beds.	Thanks
Is the title of the article suitable? (If not please suggest an alternative title)	I suggest the title to be "Bacterial Contamination and Antimicrobial Resistance Patterns of Healthcare Workers' Mobile Phones in Hospitals at Khartoum City"	Done
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	More clarification or information are needed on the background. Methods: Here you need also to state the study design, Sampling method, Data Analysis Results: You need to tell us the magnitude of antimicrobials claimed to be resistance in your study whether in % or proportional.	Done
Is the manuscript scientifically, correct? Please write here.	The manuscript sound Scientifically however need some few improvements	Done and checked
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	More references are needed. The font size is not uniform throughout the document. There was a mixing of font size 10 and 12 especially reference number 26.	Amendment done
