

Review Form 3

Journal Name:	Microbiology Research Journal International
Manuscript Number:	Ms_MRJI_130780
Title of the Manuscript:	Effect of combined use of nutrition and weed management practices on the weed studies, seed yield and microbial counts of soil in blackgram
Type of the Article	Research Paper

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript holds significant importance for the scientific community as it addresses the pressing issue of declining blackgram productivity, a vital crop for human nutrition in India. By exploring the combined effects of seed inoculation, foliar nutrition, and weed management, the study provides valuable insights into sustainable practices for improving yield and soil health.	Thank you for your valuable comments.
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	Noted.
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	Noted.
Is the manuscript scientifically, correct? Please write here.	Yes	Okay.
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	Okay.
Is the language/English quality of the article suitable for scholarly communications?	Yes	Okay.
Optional/General comments	No	Okay.

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
