Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This research would be highly beneficial to the Nigerian economy and other nations whose goal is to build an effective and viable capital market and attract foreign direct investments into the country. It will also help these countries to know the best incentives to attract foreign investors into the economies.	We thank our reviewer for a thorough review of this paper.
Is the title of the article suitable? (If not please suggest an alternative title)	The title is okay but I would suggest the outlined title below: "AN EMPIRICAL ANALYSIS OF FOREIGN INVESTMENTS AND MARKET CAPITALIZATION IN NIGERIA"	Thank you for your suggestion. However, my co-authors feel that the title in its present state, will afford us opportunities of presenting this paper as a Working Paper. We have clear visions on how to make further researches in this area of study.
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is comprehensive because it has the little background introduction, the period of coverage, methodology employed, results and recommendations.	Thank you.
Is the manuscript scientifically, correct? Please write here.	The manuscript is scientifically correct. Author(s) employed the use of Vector Error Correction Model (VECM) for the analysis.	Thank you.
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The References are sufficient and up to date. No concerns.	Thank you.
Is the language/English quality of the article suitable for scholarly communications?	The language is easy to understand.	Thank you.
<u>Optional/General</u> comments	None	Thank you for your time.
