Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript holds significant importance for the scientific community as it provides a comprehensive analysis of the relationship between FDI, exports, imports, inflation, and economic growth in India, a key emerging economy. By employing robust techniques like ARDL and ECM, it offers valuable insights into both long-term and short-term economic dynamics. The findings contribute to the understanding of how external and internal economic factors influence growth, providing a foundation for evidence-based policymaking. Moreover, its recommendations on enhancing FDI policies can guide governments and researchers in fostering sustainable economic development.	Thanks for the comments
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	Thanks for the comments
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is well-structured and effectively summarizes the study's scope, methodology, and findings. The use of ARDL and ECM is appropriate for the analysis. However, slight improvements in clarity and flow are suggested. Expanding on policy implications and clarifying "insignificant effects" would enhance its impact and reader comprehension.	Revised
