

Review Form 3

Journal Name:	Archives of Current Research International
Manuscript Number:	Ms_ACRI_131167
Title of the Manuscript:	Spatial distribution, isolation, and characterization of morphological variants of the Fusarium Wilt pathogen in brinjal across Andhra Pradesh and Tamil Nadu.
Type of the Article	

PART 1: Comments

	Reviewer's comment Artificial Intelligence (AI) generated or assisted review comments are strictly prohibited during peer review.	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This study provides a comprehensive assessment of the incidence of Fusarium wilt in brinjal crops, which is essential for developing effective management strategies. It concludes the morphological variations and growth patterns of <i>Fusarium</i> population across the investigated locations which is necessary for the ongoing monitoring, precise pathogen identification, and the creation of integrated management techniques such as resistant variety breeding.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, it is.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, the abstract of the article is comprehensive.	
Is the manuscript scientifically, correct? Please write here.	Yes, the manuscript is scientifically correct.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes.	
Is the language/English quality of the article suitable for scholarly communications?	Yes, it is.	
<u>Optional/General</u> comments		

Review Form 3

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
