

Review Form 3

Journal Name:	Asian Journal of Agricultural Extension, Economics & Sociology
Manuscript Number:	Ms_ AJAEES _130493
Title of the Manuscript:	Assessing the Role of Safe Agricultural Practices in Enhancing Farmers' Income from Vegetable Cultivation
Type of the Article	Research article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript is important for the scientific community as it demonstrates how safe cultivation methods and modern farming practices can enhance vegetable production, improve farmers' income, and promote sustainable agriculture. The findings offer a valuable model for improving agricultural practices in similar contexts globally.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, it's good	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is comprehensive, but including specific quantitative data on the increase in production, revenue, and profits would enhance its impact and clarity.	
Is the manuscript scientifically, correct? Please write here.	The manuscript appears scientifically correct, but a detailed review of the methodology and data analysis is recommended to confirm its accuracy.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, its sufficient	

Review Form 3

Is the language/English quality of the article suitable for scholarly communications?	YES	
Optional/General comments	<p>The manuscript addresses an important topic and provides valuable insights into the impact of safe cultivation methods on vegetable farming and farmers' livelihoods.</p> <p>The study is well-structured, with clear objectives and significant findings that are relevant to sustainable agriculture.</p> <p>Suggestions for Improvement:</p> <p>The manuscript could benefit from a more detailed discussion of the limitations of the study and potential areas for further research.</p> <p>Consider including more quantitative data in the abstract and discussion to highlight the impact of the findings.</p> <p>Clarity and Readability:</p> <p>The writing is clear and concise, but some sections, such as the methodology, could be expanded for better understanding.</p> <p>Ensure consistent use of terminology throughout the manuscript for clarity.</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
