

Review Form 3

Journal Name:	Asian Journal of Soil Science and Plant Nutrition
Manuscript Number:	Ms_AJSSPN_130634
Title of the Manuscript:	Effect of Soil Gypsum Content on the Physical Properties of Soil
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript is considered important in the scientific community in general and the research community in particular. It is also important in all agricultural sciences, including soil and water sciences, soil management. The role of this study is to raise productivity and improve the physical and chemical properties of gypsum soil.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title of the article needs to be rephrased or mention the parameters of the study or the study area to be appropriate with the content of the article	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract of the article is not comprehensive and needs to be amended and added in terms of the importance and objectives of the study and the most important results obtained, mentioning numbers and relative comparisons.
