

Review Form 3

Journal Name:	Asian Journal of Soil Science and Plant Nutrition
Manuscript Number:	Ms_AJSSPN_130898
Title of the Manuscript:	Soil Fertility Status of Selected Panchayats in Deeh Block of Raebareli district, Uttar Pradesh, India
Type of the Article	Research article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Soil fertility is dynamic and influenced by continuous agricultural practices, fertilizer usage, and changing climatic conditions. However, there is limited historical or comparative data on soil fertility trends in Deeh Block, making it difficult to assess soil degradation or improvement over time. Moreover, this research work have been brought some novelty in this manuscript	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Add micronutrient content in abstract	
Is the manuscript scientifically, correct? Please write here.	Yes	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	
Is the language/English quality of the article suitable for scholarly communications?	Yes	
<u>Optional/General</u> comments		

Review Form 3
