Benefits for Reviewers: <https://r1.reviewerhub.org/benefits-for-reviewers>

### Review Form 3

#### PART 1: Comments

|   | Reviewer's comment  | Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|---|---|---|
| <b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b> | The manuscript is significant for the scientific community as it offers a comprehensive synthesis of the challenges and opportunities related to sustainable urban development in West Africa, a region experiencing rapid urbanization and environmental pressures. It identifies critical factors influencing urban sustainability and proposes actionable pathways for policy and planning, filling gaps in existing literature. By emphasizing the integration of technological innovations and community engagement, the study provides valuable insights for researchers, policymakers, and practitioners focused on creating resilient urban environments. |   |
| <b>Is the title of the article suitable? (If not please suggest an alternative title)</b>   | Yes   |   |
| <b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>      | Yes, I did comment on the abstract, to add some crucial word in the abstract for more clarity to the reader.  |   |
| <b>Is the manuscript scientifically, correct? Please write here.</b>  | Sure  |   |
| <b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b>                              | Yes, but need to make APA edition.  |   |
| <b>Is the language/English quality of the article suitable for scholarly communications?</b>  | Need to read, and remove the English errors.  |   |
| <b>Optional/General</b> comments  |   |   |

#### PART 2:

|   | Reviewer's comment   | Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|---|--|--|
| <b>Are there ethical issues in this manuscript?</b> | <i>(If yes, Kindly please write down the ethical issues here in details)</i> |  |
