Review Form 3

PART 1: Comments

| | Reviewer's comment | Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|--|---|---|
| Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part. | Air is one of the vital components of the world. Clean air ensures the safe existence in the world. So a program regarding monitoring of NO₂ emission is highly appreciated. | |
| Is the title of the article suitable? (If not please suggest an alternative title) | Needs to be updated as Distribution NO₂ In East Java From 2019-2021 And The Factors That impacts on Estimation | |
| Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here. | Accepted | |
| Is the manuscript scientifically, correct? Please write here. | Yes | |
| Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. | Yes | |
| Is the language/English quality of the article suitable for scholarly communications? | Yes | |
| <u>Optional/General</u> comments | We recommend as follows: 1. The authors may include some findings on trend of NO ₂ estimation in Introduction part. 2. All charts would be visible. 3. We suggest some visible impacts of NO ₂ estimation. I appreciate the work but there is scope some improvement as suggested. | |

PART 2:

| | Reviewer's comment | Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|--|--|--|
| Are there ethical issues in this manuscript? | <i>(If yes, Kindly please write down the ethical issues here in details)</i> | |
