Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.		
Is the title of the article suitable? (If not please suggest an alternative title)	It will be more suitable 'The rate of coccidiosis infection in poultry farms across Uyo metropolis, Akwa Ibom State, Nigeria'.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract needs to be completely rephrased, sentences are extensive. Also, the author should write it in a concise and summarized form for clarity.	
Is the manuscript scientifically, correct? Please write here.	Yes, it is correct, but it needs a thorough revision, it looks like an abrupt sentence with, a lack of interest in writing. Sentences do not complement each other.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, the introduction and methodology need recent references because most of the references are from 20 years back.	
Is the language/English quality of the article suitable for scholarly communications?	It needs to be improved, the manuscript has random grammatical mistakes,	
<u>Optional/General</u> comments	Poultry is a major source of food in each country, no doubt it's a related good work, but clarification of sentences in each part of the paper is missed.
