

Review Form 3

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_130565
Title of the Manuscript:	Effects of farmyard manure, NPK Levels, and foliar nutrition on chemical and biochemical parameters of true indigo (Indigofera tinctoria L.)
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The authors in the manuscript could not highlight the importance of the study thoroughly. Here author is ought to mention the acreage under this plant species especially in Kerala. Secondly there is need to review the research on this species and then researchable issues attempted. It is important to see the effect of nutrient application on chemical and biochemical parameters of true indigo.	
Is the title of the article suitable? (If not please suggest an alternative title)	OK	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	No. There should be brief introductory remark, treatment details and research highlight.	
Is the manuscript scientifically, correct? Please write here.	The MS need to be rewritten thoroughly. Introduction section need improvement. Materials and method section is need to specify the methodology adopted for estimation of NPK and Indican content. In results section data are expressed in three decimal places that need to be reduced to two decimal. There is only one table of data and all treatments are shown but not clear. Method of presentation is not up to mark. Figures have to be sub headed as a, b, c. No bars shown on bars in figures to indicate the statistical differences. Grid lines to be removed from graphs. In Fig 2 even Y axis not labelled properly.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Inadequate and recent references missing	
Is the language/English quality of the article suitable for scholarly communications?	Need improvement.	
Optional/General comments	The MS is not acceptable in present form. It may please be returned for improvement and resubmission.	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
