Review Form 3

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript focuses on the conservation prioritization of forest communities and habitats in the Manasbal Range of the Sindh Forest Division, located in Jammu and Kashmir. By identifying and analyzing the ecological significance of these forest communities, the study provides valuable insights into regional biodiversity, supporting targeted conservation efforts and sustainable habitat management in this critical area.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title "Conservation Prioritization of Forest Communities and Habitats in the Manasbal Range of Sindh Forest Division of Jammu and Kashmir" is clear and informative	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, it is comprehensive	
Is the manuscript scientifically, correct? Please write here.	Yes	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	While the current references provide a solid reference, incorporating more recent references would be advantageous. This would help to reflect the latest research trends and advancements in the field, ensuring that the manuscript remains aligned with current scientific discussions on the floristic composition and conservation of similar regions.	
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
