

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_130422
Title of the Manuscript:	Investigations on methods of drying and storage on anthocyanin content and anti-oxidant potential of hibiscus tea infusions
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript contributes to the growing body of research on the antioxidant properties of herbal tea infusions, which are widely consumed for their potential health benefits. Understanding the bioactive compounds in these teas and their antioxidant content can provide insights into their role in preventing oxidative stress-related diseases. Furthermore, this study may serve as a reference for developing functional beverages with enhanced nutritional and therapeutic value. The findings can also guide researchers and industry players in standardizing production and extraction techniques for herbal tea infusions.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes.	
Is the manuscript scientifically, correct? Please write here.	Yes.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Very few recent references are provided. Please add more recent references (2023 – 2025).	
Is the language/English quality of the article suitable for scholarly communications?	Yes.	
Optional/General comments	What is ** in Table 4? Fig. 3 is not clear.	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
