

Review Form 3

|                          |  |
|--------------------------|--|
| Journal Name:            | Journal of Advances in Medicine and Medical Research   |
| Manuscript Number:       | Ms_JAMMR_131147  |
| Title of the Manuscript: | The Use of the National Stressful Events Survey Acute Stress Disorder Short Scale (NSESSS) to assess the Prevalence and Predictability of Acute Stress Disorder in Trauma Patients |
| Type of the Article      |  |

PART 1: Comments

|  |   |   |
|--|---|---|
|  | <b>Reviewer's comment</b><br>Artificial Intelligence (AI) generated or assisted review comments are strictly prohibited during peer review.   | <b>Author's Feedback</b> (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
| Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part. | Having a standardized tool is useful not only in research but clinical environments. Also, this tool will help create a bridge between psychiatry and emergency medicine.   |   |
| Is the title of the article suitable?<br>(If not please suggest an alternative title)  | It is not suitable.<br>Author(s) may want to consider restructuring the title to:<br>Assessing the NSESSS as a Screening Tool for Acute Stress Disorder in Trauma Patients: A Single-Center Observational Study                           |   |
| Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.      | Abstract is suitable  |   |
| Is the manuscript scientifically, correct? Please write here.  | There is no definition of trauma in the methods. Inclusion and exclusion criteria should be provided. State the sampling method and apart from psychiatrist, state other research team members  |   |
| Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.                              | References 3, 4, 5, 7, 10 are too old and more recent articles should be used.<br>Reference 16 is improperly cited<br>References 1, 2, 3, 4, 5 and 9 are of a different referencing style. Can be corrected to be same style all trthough |   |
| Is the language/English quality of the article suitable for scholarly communications?  | Language is suitable  |   |
| Optional/General comments  |   |   |

Review Form 3

PART 2:

|  |  |   |
|--|--|---|
|  | Reviewer’s comment   | Author’s comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
| Are there ethical issues in this manuscript? | <i>(If yes, Kindly please write down the ethical issues here in details)</i> |   |
