### Review Form 3

#### **PART 1: Comments**

	<b>Reviewer's comment</b>	<b>Author's Feedback</b> (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b>	This manuscript is important to be published, because the problem of dental caries is still a health problem that needs to be addressed. Although there are various ways to overcome dental caries, its prevalence is still high. Therefore, knowledge and solutions are still needed to overcome it.	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	The title of the article is suitable	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	The abstract of the article is comprehensive	
<b>Is the manuscript scientifically, correct? Please write here.</b>	I think the manuscript is scientifically	
<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b>	References are sufficient and recent.	
<b>Is the language/English quality of the article suitable for scholarly communications?</b>	language/English quality of the article suitable for scholarly communications	
<b>Optional/General</b> comments	The writing of this journal manuscript is good. Just a little suggestion, for the introduction of periodontal disease it is better not to write. So focus on dental caries only	

#### **PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
