Review Form 3

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The manuscript titled "Evaluation of the Anti-Pyretic Effects of Ethanolic Extract of Sonchus wightianus DC using Wistar rats" is of significant importance to the scientific community as it explores the therapeutic potential of a traditionally used medicinal plant. With increasing interest in plant-based remedies as alternatives to synthetic drugs, this study provides valuable insights into the pharmacological efficacy of S. wightianus as an anti-pyretic agent. Additionally, it contributes to the growing body of evidence supporting ethnopharmacology, while promoting the sustainable use of natural resources in drug discovery. The findings may also pave the way for further biochemical and clinical studies aimed at validating its use in managing pyrexia and related conditions.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	No	
Is the manuscript scientifically, correct? Please write here.	Yes	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes. No addition	
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
