Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_131433
Title of the Manuscript:	Effect of Plant Growth Regulators on yield and profitability of Custard apple: An economic Prospective
Type of the Article	Research

PART 1: Comments

	Reviewer’s comment Artificial Intelligence (AI) generated or assisted review comments are strictly prohibited during peer review.	Author’s Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This research highlights how plant growth regulators can optimize custard apple yield and quality, directly influencing farm profitability. Understanding these effects can help farmers adopt cost-effective practices, enhancing both productivity and economic returns.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Is the manuscript scientifically, correct? Please write here.	Yes, but the manuscript presents extensive results; however, the absence of statistical analysis undermines the reliability and validity of the findings. Incorporating appropriate statistical methods is essential to support the conclusions drawn. Addressing this will significantly enhance the overall quality of the research. The Materials and Methods section requires further elaboration to provide clarity and reproducibility. Detailed descriptions of experimental design, sample preparation, treatment applications, and data collection procedures should be included. Additionally, specifying the statistical tools and analysis methods used will strengthen the rigor of the study.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	
Is the language/English quality of the article suitable for scholarly communications?	Yes
