

Review Form 3

Journal Name:	Microbiology Research Journal International
Manuscript Number:	Ms_MRJI_130748
Title of the Manuscript:	Occurrence of Mannheimia haemolytica in clinical caprine mastitis in Theni district of Tamil Nadu
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The manuscript is well written. As mentioned here it is the first case mastitis caused by manheimia in goat. So, it may be considered as the future scope for research and exploring the agents in other species too. As mastitis is most important disease from the point of view of production.	
Is the title of the article suitable? (If not please suggest an alternative title)	As it is a single case report, the word occurrence may not hold goof. It may be changed “A case report of <i>Mannheimia haemolytica</i> in clinical caprine mastitis in Theni district of Tamil Nadu”	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes it is fine	
Is the manuscript scientifically, correct? Please write here.	Manuscript fulfils all criteria	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, it is sufficient	
Is the language/English quality of the article suitable for scholarly communications?	Yes, it is	
Optional/General comments	Why the molecular confirmation is not carried out? The photographs of the colony growth should be included.	

Review Form 3
