Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The study provides valuable insights into the challenges and benefits of home-school learning during a crisis. It underscores the critical role of parents in facilitating learning, particularly when traditional school structures are disrupted. The findings suggest that while home-school learning presents challenges, particularly in fundamental skills like reading and writing, strong parental involvement can mitigate some of these issues and support children's overall learning and development	
Is the title of the article suitable? (If not please suggest an alternative title)	The title clearly reflects the main focus of the study.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	This analysis highlights the importance of understanding the diverse experiences of students during home-school learning and the critical role parents play in this context. It also points to the need for more targeted support for parents to help them fulfil their role effectively	
Are subsections and structure of the manuscript appropriate?	yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	This manuscript demonstrates scientific robustness and technical soundness through its well-defined research focus on parental involvement in home-school learning during the COVID-19 pandemic, a topic of significant relevance. The use of a descriptive-phenomenological approach, coupled with Colaizzi's rigorous data analysis method, ensures that the findings are deeply rooted in the lived experiences of the participants, enhancing the credibility of the results.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. -	Add some latest references.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	yes	
Optional/General comments	The manuscript contributes valuable insights into the role of parental engagement in education during crises, adding to the existing body of knowledge in the field.
