

Review Form 3

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_125438
Title of the Manuscript:	Insects associated with moringa and their correlation with abiotic parameters
Type of the Article	Original research

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Research in this work follows modern science. They have a significant contribution for further scientific research. They are particularly important in the field of plant protection.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract of the article is not comprehensive. I suggest the addition the next: Describe the moringa plant. Write the place of the test field, the location and the time period of the test and which cultivar was used.	
Are subsections and structure of the manuscript appropriate?	Yes. Add subsections of the statistical analysis.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The topic follows contemporary scientific research. The title is well defined. The material and method are set correctly. The results are adequately interpreted. Adequate literature was used.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	One referenc is to old: Butani, D. K. and Verma, S. 1981. Insect pests of vegetables and their control: drumsticks. Pesticides. I suggestion that replace with another more recent one.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes.	
Optional/General comments	The paper is accepted for publication with minor corrections.	

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
